How to Find Your Paystub in ConnectCarolina

Employees have a new way to locate their paystub using the University’s new ConnectCarolina self-service page. See the detailed directions below. If you have problems, contact your HR Office.

1. Go to connectcarolina.unc.edu and click on Login to ConnectCarolina (faculty, staff and alumni).
2. Enter your Onyen and password. If you don’t have an Onyen, contact help.unc.edu.
3. From the ConnectCarolina home page, click on SelfService and select View Paycheck.
4. Click the date for the paystub you want to see or print. Your most recent paystub will be at the top of the list.
5. For the most part, your paystub will look the same. There may be small differences in how some of your deductions are displayed.
6. To view or print paystubs from before October 1, 2014, when ConnectCarolina went live, click the View Paychecks before 10/1/14 link under SelfService.
