REGISTRATION

THE UNIVERSITY OF NORTH CAROLINA AT CHAPEL HILL
Application for Residence & Tuition Status

ADMISSION

Visit <http://registrar.unc.edu/academic-services/residency/important-dates/>
for application deadlines.

Under North Carolina law, bona fide legal residents (domiciliaries) of North Carolina are eligible for a lower tuition rate than non-residents. Copies of the applicable law and of implementing University regulations are available for inspection in admissions offices. North Carolina statute (G.S. 116-143) requires: "To qualify as a resident for tuition purposes, a person must have established legal residence (domicile) in North Carolina and maintained that legal residence for at least 12-months immediately prior to his or her classification as a resident for tuition purposes." G.S. 116-143.1 also sets forth statutory definitions, rules, and special provisions for determining resident status for tuition purposes. The residence Manual should be consulted for these statutory and regulatory conditions: http://registrar.sites.unc.edu/files/2012/06/Residence_Manual_Aug_2010.pdf

The law requires that every student admitted to the University (initially or after a lapse in enrollment) be classified for the term admitted as a resident or non-resident for tuition purposes, prior to enrollment. To be classified a resident for tuition purposes, you must furnish such evidence as the University may require to enable it to make such classification. If you claim North Carolina residence for tuition purposes, you must file this application promptly. Unless your admissions officer notifies you in writing to the contrary, your classification in the University is non-resident for tuition purposes for your proposed term of enrollment.
