

## Formal Notice: 2-Step Verification Requirement for ConnectCarolina

February 7, 2018

Beginning on February 15, **2-Step Verification will be required to access the student financial portion of ConnectCarolina.** This includes student bill pay and direct deposit account access.

With 2-Step Verification, you protect your account with something you know (your password) and something you have (your phone). Even if a bad guy hacks through your password layer, he'll still need your phone or other second verification method to get into your account information.

### ***How 2-Step Will Change Your ConnectCarolina Experience***

How you log in to ConnectCarolina *will not* change – how your access student financial information within ConnectCarolina *will* change. When you click to access that portion of ConnectCarolina you will:

- Be prompted with a button to “Verify with 2-Step.”
- Receive a code or notification to your phone via text, mobile app or voice call to confirm your access request.

### ***Get Started with 2-Step***
