New Principal Investigator Dashboard Coming Soon!

Have you heard that a redesigned **PI Dashboard** is rolling out in September?

Based on feedback and requests from principal investigators across campus, the new dashboard provides a snapshot of grant funding and expenses, including salary projections at both the award level and the project level. The information on the dashboard is pulled directly from ConnectCarolina and RAMSeS.

Jackie Treschl, Senior Training and Documentation Analyst and Chris Minter, Instructional Designer, were on hand at the **2017 UNC Symposium for Research Administrators** on August 3rd to give research administrators and PIs a sneak peek at the dashboard.

HR Representatives Teaching ConnectCarolina HR Classes

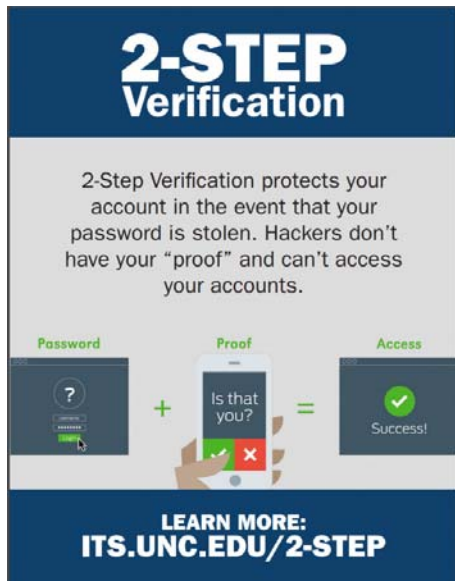

The curriculum for training newly-hired HR representatives got a revamp and several new

faces are teaching the two-day class for new HR representatives.

The ConnectCarolina team sends a big thank you to **Dina Sikora, Joey Landry, Maura Murphy, Tabitha Massey, and Bill Stockard**, who were selected to be a part of the HR "Train the Trainer" program. They attended a special program to learn about training techniques and develop expertise on the materials. Through December, they'll be teaching the two-day *ConnectCarolina HR Representative Training*, a

mandatory course for new HR representatives to gain access to ConnectCarolina.

Have you registered for 2-Step Verification?

To keep sensitive information safe, the University uses a security method called 2-Step Verification. With this method, you verify that "you're you" before you see certain sensitive information. Enrolling in 2-Step takes just 10 minutes and helps keep you and UNC secure.

2-Step will soon be required to access certain campus VPN groups. What's more, we plan to add 2-Step to more campus services in the coming year.

Upcoming Census Outage Wednesday, September 6th from 5:00pm-12:00am

As part of the Fall 2017 census activities, there will be an outage of ConnectCarolina Student Administration applications on Wednesday, September 6th, starting at 5:00pm and ending around 12:00am. Census is mandated as the official date the University counts student enrollment to report to UNC General Administration.

Faculty, students and staff will NOT be able to access ConnectCarolina Student Center during this time.

The ePAR hire form for HR/Payroll is affected, as are some services related to Onyen, PID and Guest ID. Finance functions are NOT affected by this event.

Coming Soon: A NEW Look for Paystubs

Beginning in October, your paystub will have a new look that provides more information about earnings

and deductions. A preview of the paystub and a quick reference guide is available online at <http://go.unc.edu/paystub>. Look for additional communications to all employees sent well in

advance of the change.

Training: By The Numbers

676 University employees signed up for ConnectCarolina training in 2017.

As a reminder, more than 30 ConnectCarolina courses are available covering a multitude of Finance, HR, Student Administration and Reporting topics, as well as general courses for all faculty and staff. Many of the courses are delivered as computer-based training or recorded webinars to allow you the flexibility to fit training into your schedule.

To see the training schedule and register for a class, click [here](#).
